#### DAY 1 WE'RE OFF!

Our deluxe motorcoach departs this morning for our vacation into the heart of country music. Branson, which is located on the Arkansas border, is nestled in the foothills of the Ozarks. It glows with a special blend of natural beauty, exciting attractions, and warm hospitality. We relax with our usual rest stops and enjoy lunch before continuing our journey south. Our destination for the night is Liberty, MO. You are pre-registered and handed your room key—your tour director has handled those arrangements for you!

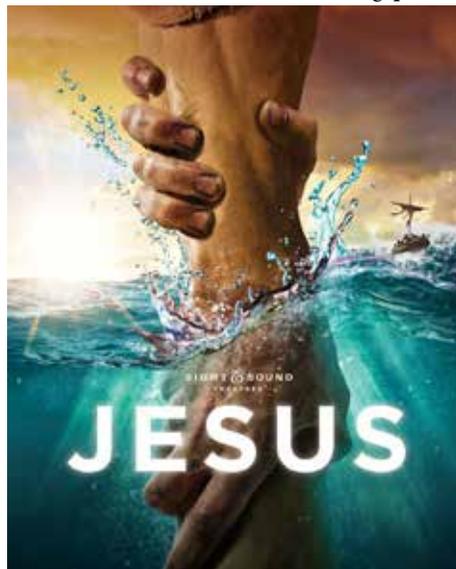

#### DAY 2 HARVEST FESTIVAL FUN

After breakfast, we continue our southerly journey towards Branson. Upon our arrival, we head straight to Silver Dollar City for their new harvest festival! During Silver Dollar City's Harvest Festival you'll find visiting craftsmen and artisans demonstrating throughout the park. Plus, visit the re-imagined Makers' Market in the Frisco Freight Barn featuring handmade treasures including embroidery, jewelry, home décor and much more. When night falls, new adventure comes to life as thousands of glowing pumpkins illuminate the park along the Pumpkin Pathway. We spend the next two nights in the heart of Music City, USA—Branson!

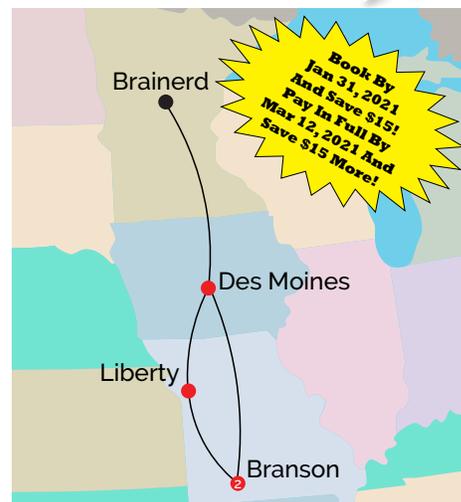

#### DAY 3 SHOWS, SHOWS, SHOWS!

We have a full day of music and fun for you today! This morning we see *The Down Home Country Show*. The Down Home Country Show is the best show in Branson to hear traditional Country Music. Later, enjoy *The Duttons*—consisting of 3 generations of amazing talent. They have been recording, performing and touring together professionally for over 20 years. Along with the classical, they play pop, country, bluegrass and gospel. That ability to adapt and play just about any style of music is just one of the things that makes them so unique. Tonight, we head to the Sight & Sound Theater for their amazing perfor-

mance of *Jesus*! See the struggles and miracles performed by Jesus on stage! This rousing show follows the history of Jesus, from his humble beginnings as the 'son of a carpenter' to the miracles that he performed and his role as prophet. You will watch his trials and his successes as the Pharisees in Jerusalem title him a rebel and try to silence his message.

#### DAY 4 HEADIN' NORTH!

This morning we begin our journey northward. Our first stop is at Fantastic Caverns near Springfield, MO. Because the beauty of Fantastic Caverns is vulnerable, the cave is toured in Jeep-drawn trams. Since you ride all of the way through, you experience the magnitude, the stillness, and the splendor of Fantastic Caverns while preserving its natural features. We travel the length of Missouri toward Des Moines where we will spend our final night. This evening you have time to relax with your new friends.

#### DAY 5 HOMEWARD BOUND

Today we head home. We make our way through the rich farmland of northern Iowa, then enjoy a delicious luncheon, compliments of PTS Tours! We then hop back in our 'coach for the short journey north to Brainerd, laughing and smiling with memories of Branson's Fall Harvest Festival!
